

Before pool creation

The screenshot shows the TrueNAS CORE web interface in a browser window. The address bar indicates the URL is `192.168.0.222/ui/storage/pools`. The interface has a dark theme. On the left is a sidebar with a navigation menu. The main content area is titled 'Storage / Pools' and shows a message 'No pools' with an 'ADD' button in the top right corner. The sidebar menu includes items like Dashboard, Accounts, System, Tasks, Network, Storage (which is highlighted), Pools, Snapshots, VMware-Snapshots, Disks, Import Disk, Directory Services, Sharing, Services, and Plugins. The top right of the interface shows the TrueNAS logo, the iXsystems logo, and several status icons including a notification bell with a red '2'.
