

# End-of-Life Announcement for the FreeNAS Mini XL

---

Enterprise Storage & Servers Driven by Open Source

## End-of-Sales, End-of-Life, and End-of-Support Announcement for the FreeNAS Mini XL

---

### February 25, 2020

iXsystems announces the end-of-life (EOL), end-of-sales (EOS), and end-of-support dates for the FreeNAS Mini XL. The EOL and EOS date is February 25, 2020. As of the date of this notice, iXsystems will ONLY accept orders for the FreeNAS Mini XL for quotes that have already been issued. After this date, iXsystems will no longer accept any orders for the FreeNAS Mini XL.

FreeNAS Mini systems are available with support from one to three years from the date of purchase. Support beyond three years from the purchase date is not generally available. The end-of-support date for the FreeNAS Mini XL is February 25, 2023. FreeNAS Mini XL customers with active support contracts will continue to receive hardware support from the iXsystems support organization until that date.

FreeNAS Mini customers interested in the FreeNAS Mini XL are encouraged to transition to the FreeNAS Mini XL replacement, the new FreeNAS® Mini XL+ Storage Array. The Mini XL+ is a third-generation FreeNAS Mini product with a newer and improved platform that has 10GbE copper built-in. The Mini XL+ is available immediately for customer orders.
